

# Miracolo Blu - Rosso Umbria IGT

INDICAZIONE GEOGRAFICA TIPICA

---

A blend of all red varieties sustainably grown in our vineyards at La Villa Estate: Sangiovese, Merlot, Cabernet and Sagrantino.

Each grape is vinified separately and then blended to produce a well balanced wine with an intense and bright red color with purple hues.

Spicy, captivating nose with strong hints of red fruits.

The taste is elegant and enveloping, reminiscent of red fruit jam. Tannins are soft with a delicate finish.

## IN THE VINEYARDS

The sustainably cultivated vineyards of the different varieties are located 200 meters high, they are all adjacent and with the same exposure.

Training is guyot with a density of 5000 plants per hectare, the average production is 120 quintals per hectare.

Grapes are harvested separately according to the different ripening times

## VINIFICATION

This wine undergoes a very specific vinification process in order to extract the maximum aromas of the fruit and the minimum quantity of tannins as the profile of this wine is a ready to drink style.

To obtain this part of the grapes, before fermentation, undergoes a thermovinification process. A special technique is used and unfermented must and skins are brought to a high temperature for a short time in order to extract aromas but not tannins. Then skins are separated from the juice and fermentation takes place in steel vats at controlled temperature.

## AGING

One month in concrete for a slight micro-oxygenation and one month in bottle.

## SERVICE TEMPERATURE

16 ° C (60/61° F) however it shows well even slightly refrigerated.

## PAIRINGS

Very versatile and easy to drink, it goes perfectly with appetizers, cold cuts and medium-aged cheeses. Pairs well with juicy pasta courses and meat in most styles

## GLASS

Classic balloon wine glass

## PACKAGING AND SHIPPING DETAILS

N. of bottles per case: 6

No. of cases per layer: 25

N. layers for pallets: 4

N. cases per pallet: 100

Pallet height (cm): 140

Pallet weight (kg): 725
