

Miracolo Nascosto – Montefalco Rosso DOC

DENOMINAZIONE DI ORIGINE CONTROLLATA

MIRACOLO

The long wine tradition of this area has "generated" the ideal blend for this wine produced from sustainably grown grapes. Color is ruby red with violet reflections. The nose reveals berries, raspberry and blueberry. In the finish notes of cocoa and plum jam. It is full-bodied, with round, non-invasive tannins, balanced acidity and persistent aftertaste.

IN THE VINEYARDS

Sangiovese, Merlot, Cabernet and Sagrantino vineyards are located at an altitude of about 200 meters at the foot of Montefalco hill. The soil is of medium texture, with a good presence of skeleton. Training is spurred cordon with a density of 5000 plants per hectare. Production is planned around 80 quintals per hectare, this is obtained removing, during the vegetative phase, those bunches that are not well exposed or are in excess (less quantity for better quality). This green pruning works in the fields allow us to bring to the cellar healthy grapes, at the right level of ripeness.

VINIFICATION

Each type of grape is harvested at different times when has reached the right ripeness and vinificated separately. The destemming is very delicate to keep the grape as intact as possible. The de-stemmed is sent to the fermentation vats at a controlled temperature, where a computerized pumping over system sprinkles the skins with fresh must. Periodically a delestage is done to break the cap of the marc. Malolactic fermentation occurs in steel tanks.

AGING

6 months in concrete tanks, then three months in oak barrels and three months in bottle.

SERVICE TEMPERATURE

16 ° C (60/61° F)

PAIRINGS

It goes perfectly with all traditional Umbrian dishes. Excellent with cold cuts, aged cheeses. Pairs well with pasta courses with meat or wild boar ragout. Excellent with all red meats and especially grilled meats.

GLASS

Classic balloon wine glass
